A MESSAGE FROM THE PRESIDENT

Dear Student,

Welcome to 1st Academy of Beauty, and thank you for selecting us to assist you in obtaining your desired cosmetology training. You are now entering a field of experience that will hopefully provide you with the opportunity for a successful future in the beauty industry.

Our objective is to provide each enrolled student with a high-quality program in an environment conducive to acquiring real-world skills by adopting a straightforward, pragmatic methodology. Upon completing their program, the graduate shall be able to function effectively in one of the following professions: Hair Stylist, Hair Colorist, Manicurist, Make-up Artist, Esthetician, or Beauty Salon Operator. A normal career progression can lead a graduate to positions such as Beauty Salon Manager, Beauty Salon Owner, Cosmetology Teacher, or Cosmetology School Owner.

Students will be introduced and provided with structured instruction in a state-of-the-art learning environment. Under these conditions, students acquire hands-on experience and gain the knowledge and techniques needed to successfully complete their program of study. Students are encouraged to use the resource library to supplement their learning experience. Our school simulates salon conditions to help our students "learn-by-doing," with modern equipment and a variety of supplies that help enhance the students' product knowledge. Each student has access to a locker to store uniforms and personal items. Our students learn to manage the reception desk, log patrons in, answer the telephone, operate the cash register, and assist with our supply system. Our objective is to help the students become salon-ready.

At 1st Academy of Beauty, we offer you the training required to pass the Board of Barbering and Cosmetology examinations. We place emphasis on how to be successful in the marketplace and how to be successful at every operation necessary to create the lifestyle you desire. This means hard work, dedication, and practice on your part; you will practice shop management, business concepts, and the psychology of personal success.

With prosperity and aging baby boomers creating demand for cosmetology services, career opportunities in the field just keep getting better. According to the U.S. Bureau of Labor Statistics, 825,000 people work in the cosmetology industry as barbers, skin-care specialists, hair stylists, and nail technicians, and expects barbers, hair stylists, manicurists, cosmetologists, and estheticians to experience job growth that is faster than the average for all occupations through 2024.

The excellent outlook for cosmetology career opportunities is based on a number of factors, among them the economy and our increasing population. And as in any equation these days, the baby boomers figure prominently. Maintaining a youthful appearance is extremely important to many baby boomers, and they are seeking out trained professionals to help them achieve that goal. Some of those baby boomers are even making cosmetology their second career. Although the average age of a student in the field is 22, some retirees are entering the field. They are drawn by the appeal of flexible or part-time hours and a course of study that can be completed in approximately 10 months.

Cosmetology is a profession requiring artistry, practical knowledge, and a high degree of that blend of communication and psychology commonly known as "people skills."

It is also a field of growing opportunities.

The academy welcomes all people interested in a beauty career. We are happy to have you visit the school at any time. Come in and see our student facilities and the teaching staff. We will be pleased to answer all your questions. We look forward to assisting you in this new and exciting venture.

Sincerely,

Ms. Phieng Yang, School President

At the time of his or her enrollment, the student must have been a California resident or enrolled in a California residency program, prepaid tuition, and suffered economic loss.

Effective **April 1, 2024**, the Student Tuition Recovery Fund (STRF) assessment rate will change from two dollars and fifty cents (\$2.50) per one thousand dollars (\$1,000) of institutional charges to zero dollars (\$0.00) per one thousand dollars (\$1,000) of institutional charges. (5, CCR section 76120). Institutions will still be required to complete and submit all STRF Assessment Reporting Forms on a quarterly basis and maintain specified student information for STRF-eligible students.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd, Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

STRF Requirements

Institutions approved or registered with the Bureau are required to comply with the following STRF requirements:

- Include STRF disclosures on both its enrollment agreement and school catalog (5 CCR Section 76215)
- Collect STRF assessments (if applicable) from each student in an educational program who is a California resident or is enrolled in a residency program (5 CCR Section 76120)
- Collect the STRF assessment from each student in an educational program at the time it collects the first payment from or on behalf of the student at or after enrollment (5 CCR Section 76130)
- Complete and submit quarterly STRF Assessment Reporting Form and remit payment (if applicable) to the Bureau no later than the last day of the month following the close of the quarter (5 CCR section 76130).

FEES FOR EXTRA INSTRUCTION

Students are expected to complete their training within the maximum time allowed as specified in the Enrollment Agreement. If a student exceeds the time frame outlined above, an extra instruction charge will be assessed for the balance of hours required or for the completion of the course. An addendum to the enrollment contract will reflect the hours to complete and the rate per hour as follows: Cosmetology: \$8.50; Barbering: \$8.50; Hairstyling: \$8.00; Esthetician: \$ 8.00; Manicuring: \$5.00; Advanced Manicure: \$5.00; Cosmetology Crossover: \$ 8.00; Barbering Crossover: \$ 8.00.

Loans: If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that if a student has received federal student financial aid funds, the student is entitled to a refund of the money not paid from federal student financial aid program funds.

PRO RATA REFUND POLICY

1st Academy of Beauty also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program. The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided, subtracted from the amount paid by the student, calculated as follows:

- (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal.
- (2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount you have paid exceeds the amount you owe for the time you attended, a refund will be issued within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. The official withdrawal date is determined by a student's notification to the school as described above. 1st Academy of Beauty shall pay or credit all refunds within 45 days of a student's cancellation or withdrawal.

CANCELLATION/WITHDRAWING FROM SCHOOL

Students may commence this action by providing the notice by email, mail, hand delivery, or by fax. The written notice of cancellation, if sent by mail, is effective when postmarked and properly addressed with postage to the school's address.

Determination of withdrawal from school: Determination is based on when a student notifies the school that he/she wishes to cancel by providing a cancellation notice. Additionally, if a student has failed to attend classes for seven days and has failed to inform or contact the school, the school may automatically withdraw the student, and the date of withdrawal shall be the last date when physical attendance was recorded. If a student fails to return from an approved leave of absence, the school

will initiate cancellation/withdrawal, and the last day attended prior to the start of the approved leave of absence will be the date used.

Determination of cancel/withdrawal date: The cancel/withdrawal date is the date on which a student communicates his/her desire to cancel by email, mail, hand delivery, or fax. If the school has initiated the cancellation/withdrawal, the date shall be the last date when physical attendance was recorded.

ACADEMIC POLICIES

GRADING SYSTEM

Students are evaluated regularly on theoretical, practical, and clinical work. The evaluations are measured on a standard percentile basis, and the percentage is equated to a letter grade. Evaluation forms are issued to the Cosmetology students at 25%, 50%, 75%, and 90% of the scheduled course hours. All other courses consisting of 600 hours or fewer are issued evaluation forms at 45% and 90% of the scheduled course hours. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the one used at the school.

ACADEMIC GRADING POINT GRADES FOR PRACTICAL WORK

100% - 95%	Excellent	(GPA 4) 4 POINTS	A
94% - 85%	Good	(GPA 3) 3 POINTS	B
84% - 75%	Satisfactory	(GPA 2) 2 POINTS	C
74% - 65%	Unsatisfactory	(GPA 1) 1 POINTS	D
64% - 00 %	Failing	(GPA 0) 0 POINTS	F

ATTENDANCE POLICIES

Students are required to attend school according to their student schedules as indicated in their enrollment agreements. Full-time enrollment is defined as 24-40 hours per week or more. Part-time enrollment is defined as 16-23 hours per week. Students must clock in and out using their attendance timecard, and instructors will visually monitor the attendance of every student. Failure to meet the required hours of training will result in denial of graduation status.

STUDENT CLOCK HOUR POLICY

The Bureau of Barbering and Cosmetology recognizes clock hours based on time-clocked attendance. As a result of this requirement, this school can only grant clock-hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. A thirty (30) minute lunch break is taken when a student attends a minimum of a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total. The maximum online hours are 50% for Hybrid Distance Education.

Milady CIMA:

- Each student will have unique login information provided by the school administrator. CIMA system will generate the hours of Attendance accordingly.
- For hours to count, the student must be engaged in the digital textbooks; turn pages, do activities & quizzes.
- The time you see displayed is not what you will receive. Audited hours will remove all inactivity and dead time.
- Special Circumstances such as system errors: the School Director will do the audit and make the correction as necessary
- Tests & Quizzes can be taken as many times as needed. Passing score is 70%. Retaking them multiple times will not count against you, but CIMA may not be counting the time for multiple attempts.

School Learning Management System:

- Each student will have unique login information provided by the school administrator.
- For hours to count, the student must be engaged in the reading, videos, activities, quizzes & final chapter tests.
- Tests & Quizzes can be taken as many times as needed. The passing score is 70%. Retaking them multiple times will not count against you, but the system may not count the time across multiple attempts.

On Campus Policy for Distance Education Students must participate in learning activities while physically present at the contracted campus at least once every ten business days for the duration of a scheduled class day, as outlined in the enrollment contract.

INSTITUTION'S STANDARDS FOR STUDENT ACHIEVEMENT

Considering the varied capabilities of individual students, some students may progress from one phase of training to another at different rates. However, all students must satisfactorily complete the subject matter prior to graduation, unless credit has been granted for prior training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

SATISFACTORY ACADEMIC PROGRESS

STANDARDS: The achievement of academic standing consistent with graduation requirements. This institution expects its students to maintain Satisfactory Academic Progress (SAP) as established by this institution; the student must:

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations), and other required coursework.
2. Maintain a cumulative average attendance level of at least two-thirds ($2/3$) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would need to maintain an average weekly attendance of at least 20 hours ($2/3 \times 30 = 20$).
3. Regardless of the average level of attendance, students who have more than three consecutive weeks of absences (21 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave of Absence (see LOA policy). Students who expect to be absent for 21 or more days, up to 60 days, are encouraged to request a Leave of Absence. In addition to attendance standards for Satisfactory Academic Progress (SAP), students are required to adhere to other general institutional policies on attendance and tardiness.
4. Complete the course within one and one-half ($1\frac{1}{2}$) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete it within 60 weeks.
5. Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of the course to be considered as meeting satisfactory progress at the end of an evaluation period. A student will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS: **For Cosmetology & Barbering Students only:** Students' compliance with the Satisfactory Academic Progress is divided into evaluation periods and is assessed at each of the following times:

- The point at which 25% of the course is scheduled to be completed.
- The point at which 50% of the course is scheduled to be completed.
- The point at which 75% of the course is scheduled to be completed.
- The point at which 90% of the course is scheduled to be completed.
- At the point of actual completion, or at which each additional 400 clock hours are scheduled to be completed, beyond the graduation date.

Example: For the 1000 clock hour Cosmetology course, a student will be evaluated at the increments in which the student is scheduled to reach 250, 500, 750, and 900 clock hours, if applicable; at the point of which the student is scheduled to reach an additional 400 clock hours beyond scheduled completion, or at actual completion.

Evaluation periods for the Cosmetology Crossover, Barber Crossover, Esthetician, Manicuring, Hairstyling, and Advanced Manicuring Courses: evaluations will be performed at 45% of the following points: 45% and 90% of the course.

Example: For the 400-clock hour Manicurist course, a student will be evaluated at the increments at which the student is scheduled to reach 180 and 360 clock hours.

Special Note: The percentage of the course scheduled for completion is defined in accordance with the terms of the enrollment agreement. Example: A student enrolled at 100 hours per month would be scheduled to complete a 600-hour course in 6 months, a 400-hour course in 4 months, and a 1000-hour course in 10 months, allowing no absences. For example, a student enrolled in a 40-week, 1000-clock-hour program would be evaluated for SAP after the 6th, 12th, 19th, and

22nd weeks. These dates would correspond to the point at which the student was scheduled to have completed 250, 500, 750, and 900 clock hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 400 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

ACADEMIC PROBATION AND DISMISSAL

Students who fail to meet SAP standards during a given evaluation period will be placed on academic/or attendance probation for one additional evaluation period. Students remain eligible to receive aid during the probation period and will be considered to be making SAP progress during that period. Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or attendance progress and may be terminated at the discretion of the institution. In the event that such students are allowed to continue instruction, aid eligibility will be reinstated only after the student has reestablished SAP in accordance with the attendance and grading standards set forth in STANDARDS 1, 2, 3 & 4 of this policy. In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply. Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation.

All disciplinary matters will come before the Administration, which will review the written complaint, interview the parties involved, and make a determination of the action to be taken. This may result in the dismissal of the charge, probation, suspension for a particular length of time, dismissal of the student, or other appropriate action. Termination may also be the result of a student violating the following policies: a) satisfactory academic progress, b) attendance, and/or c) the student conduct and regulations policy.

APPEAL PROCEDURES

Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The administrator shall evaluate the appeal within a reasonable time frame (5-10 days and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide the student with written notice of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. Students who prevail upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress, will be re-entered in the course, and financial aid funds will be reinstated to the student. Students accepted for re-entry into the program who previously were not making satisfactory progress must attain satisfactory progress status by the next scheduled evaluation within the evaluation probationary period.

EXCUSED ABSENCES

Students are expected to be on time to class every day and complete the required work to the best of their ability. When students must be absent from class, the student should call the school prior to the start of class, noting the class they are in, an explanation of why they will not be in class that day, and when we can expect their return. If a student has a planned absence, they should request written permission seven days in advance. Absence will be considered excused under the following circumstances: illness, death, or birth in the immediate family, and other valid reasons substantiated in writing and at the discretion of the school director. The excused absence policy was implemented for students who may experience unexpected or unforeseen problems. The time must be made up for students to meet the graduation requirements of their program of study. All other absences will be considered unexcused.

Communication must be made with your instructor or academy administration for an absence to be considered "excused". This information will be provided to the Student Services department, which will then be documented as excused. Leave of absences are not considered excused but are deemed temporary leave.

LEAVE OF ABSENCE POLICY

All "Leave of Absence" (LOA), requests must be submitted in writing thirty days in advance to the Student Services Department. The request must include the reason for the leave of absence (in general), the expected return date, and the student's signature. Submission of an LOA request does not automatically reflect the school's approval. An LOA may be

limited to a specific number of days (NOT TO EXCEED 60 DAYS). Only one LOA will be granted for a student during any 12-month enrollment period. If the student's leave of absence is not approved, the student should then discuss the remaining options with school administration. If the LOA is approved, the student may return prior to or at the end of the LOA and resume training without paying any additional tuition. Students requesting LOA's must understand that upon return, a revised course completion date will be established, which will delay their graduation date. At no time can the school backdate a leave of absence. Therefore, it is important that you carefully plan any LOA prior to taking time off from school. Time taken on a leave of absence does not count in the satisfactory academic and attendance formula; unexcused absences do.

UNSATISFACTORY ATTENDANCE AND UNEXCUSED ABSENCES

Recurring absences could result in disciplinary action, just as it would on a job. It may also lead to dismissal. Students must maintain 70% attendance to prevent their training from being interrupted. Due to the nature and scope of the training, the school differentiates between excused and non-excused absences when calculating the maximum allowable number of absences. Unsatisfactory attendance occurs when a student misses more than 30% of the maximum time frame of the program. Excessive unsatisfactory attendance will result in "probation" status and may lead to more severe attendance matters. A student is removed from probation status when they have brought their attendance to the required 70%; this includes any make-up hours/or make-up assignments and tests. Continuous excessive absences may also result in suspension or termination of classes.

TARDINESS

The institution places the same demands on its students that an employer would on its employees. Students are expected to be on time for each class session. A student is considered tardy for class if he/she **ARRIVES LATER THAN 15 MINUTES AFTER THE SCHEDULED START OF CLASS**. A student will be marked as tardy daily. Any combination of four documented events of unexcused tardiness will be considered as one (1) absence.

CUTTING CLASSES – LEAVING EARLY

The institution places the same demands on its students that an employer would on its employees. Students are expected to remain in class for the entire session. A student is considered to be leaving early from class if he/she **LEAVES EARLIER THAN 30 MINUTES PRIOR TO THE CLOSE OF CLASS**. The instructor should be notified prior for an early departure to be approved and considered an excused absence. Deliberate acts of cutting classes will be considered as unexcused absences.

MAKE-UP WORK AND ATTENDANCE

Make-up work must be requested from and scheduled with your instructor to assure proper credit. Students must make up work/attendance for proper credit towards graduation. All work and attendance must be completed on the school premises. Make-up assignments and/or tests will be administered by the appropriate instructor or appointed staff member for those who need to make up academic grades/credit units.

TIMECARD CREDIT

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initiated in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the timecard reflecting hours is in Theory hours earned either online or in-person.
3. The portions of the timecard concerning operations are to be applied to the efforts of the students as they manually perform practical subjects.

REFRESHER COURSEWORK

Students requiring preparation for the licensing exam will be billed at the course hourly rates, depending on which license they are applying for, and a registration fee of \$125.00. Students must furnish their own equipment.
